

LIFEPHARM GLOBAL NETWORK AUTO-DELIVERY PROGRAM AGREEMENT

The LifePharm Global Network ("LifePharm") Auto-Delivery Program ("Program") is an optional agreement by which an Independent Owner places a continuing (or "standing") product order to be charged against his/her credit card or eWallet. By completing this order, Independent Business Owners desiring to participate in the Program agree to the following terms and conditions:

- A. I will specify the quantity of products that I desire to receive on a monthly basis on the attached Program Agreement, which is part of this Agreement.
- B. I have supplied LifePharm, in the spaces above, a VISA, MasterCard, Discover/Novus or American Express Card number(s) along with expiration date(s). All purchases made by me pursuant to the Program shall be paid by eWallet unless I change my method of payment.
- C. I understand and agree that the products selected on the Program Agreement will be sent to me at the address listed each and every month as I have indicated. Any changes I wish to make to my Auto-Delivery order must be made in my LifePharm Virtual Office or by contacting a LifePharm Customer Service Representative. If my changes are received within 14 days of my next Auto-Delivery shipment date, changes may be implemented after the next order has shipped. The method of payment I have selected will not be changed without my prior written notification.
- D. I understand that LifePharm may discontinue or implement price adjustments to the specific products that I have chosen to receive on my Program Agreement. In such situations, LifePharm will publish the relevant information in LifePharm publications and will continue to fulfill my Auto-Delivery order, unless I direct LifePharm to make other arrangements. Prices and shipping fees will be automatically adjusted to reflect any such amendments. I understand that I will receive a 100 percent refund less a 10 percent restocking fee on any product where the price has been increased if I notify LifePharm within thirty calendar days of the date of the product order, or the period specified by state law of the state where I reside for such refunds, whichever is longer, as long as the product is unopened and in resalable condition.
- E. I authorize LifePharm to establish an automatic eWallet and credit card debit arrangement as specified in the Program Agreement to pay for each monthly Auto-Delivery order (to cover product cost, shipping fees and sales tax). LifePharm will make no other charges to my credit card account except those that I have authorized. (Sales tax charges may fluctuate in accordance with changes in applicable sales tax rates). In order to prepare my product to ship on the indicated date, I understand that my credit card may be charged up to 7 days prior to the scheduled shipment date. I shall hold LifePharm harmless for all special or consequential damages, whether direct or indirect, resulting from any wrongful debit to my account.
- F. I understand and agree that this Agreement may be immediately terminated without notice if credit card(s) to which product purchases have been charged become expired, canceled, or otherwise terminated.
- G. I understand that I have the right to terminate this Program Agreement at any time, with or without reason. I understand that such termination must be in writing, by contacting a Customer Service Representative or by terminating my Auto-Delivery program in my LifePharm Virtual Office. I understand and agree that LifePharm may terminate this Program Agreement at any time, with or without reason, without written notification. Aside from any LifePharm-instituted termination of Agreement, this Agreement will remain in effect until I either change this Agreement by submitting such changes in writing, or I send, in writing, my cancellation of this Agreement to LifePharm with my signature, printed name, address and social security number (or Federal Tax ID Number if a business). Cancellation will be effective in the calendar month in which it is received by LifePharm, provided that my account has not yet been charged for that month. Otherwise, cancellation will become effective in the month following the month in which my cancellation notice is received by LifePharm.
- H. For LifePharm Independent Business Owners, I understand that the terms and conditions in this Agreement do not supersede or modify in any way the terms and conditions on my Independent Business Owner Application and Agreement with LifePharm or the LifePharm Policies and Procedures.
- I. I understand that all products ordered under the Program unless otherwise indicated may be returned according to the regular LifePharm Product Return guidelines then in effect.
- J. I understand that LifePharm reserves the right to modify the Auto-Delivery Program at its discretion without prior notice.
- K. When a challenge arises with Auto-Delivery payment processing, a courtesy call is made to the Independent Business Owner.
